RE: September 29, 2017 Highway Letting

Dear Mr. McBrien:

We have received the September 29, 2017 Highway Letting, and have indicated, on the following pages, the contracts that will be subject to the contractor's gross receipts tax as provided in Section 40-23-50 Code of Alabama 1975, as amended. If the project is coded "T", it is taxable and if the project is coded "NT", it is not taxable.

In order to determine the proper amount of Alabama contractors gross receipts tax due, we are requesting that the Department of Transportation provide us with monthly information indicating the amount of payments made to each contractor.

Your assistance in this matter will be greatly appreciated.

Sincerely,

Tawanna L. Small
