

NOTICE TO CONTRACTORS

AASHTOWare PROJECT BIDS Digital ID

Please note that in the conversion to the new AASHTOWare Project Bids software, that when you set up a new Digital ID with Bid Express, the name(s) of the Digital ID holder submitted to Bid Express must match exactly with schedule 8, page 13 of your pre-qualification package that is on file with the Bureau of Office Engineer. If you need to update this information in your pre-qualification package, please complete a new page 13 (see “[Updated Bid Authorization \(page 13\)](#)” link on the ALDOT letting web site) and send it along with a request letter (on company letterhead) to make the necessary changes for final approval on the new digital ID.

Send this documentation by e-mail to Ruthie Bonds bondsr@dot.state.al.us, or Michele Sims simsm@dot.state.al.us, or mail hard copies to:
