| Item | Question | Answer |
|------|--|---|
| 1 | The ALDOT realized with the current end MP and the length of the project that it would interfere with another ALDOT project. | In order to avoid project interference it was decided that the subject project was to be shortened, resulting in MP changes and quantity changes. |
| 2 | The ALDOT realized that in the project notes, two notes contradicted one another. | One of the project notes was removed, so that there were no contradictions in the notes. |
