for constructing the Safety Widening, Micro-Milling, Resurfacing, and Traffic Stripe on SR-53 from the Florida State Line to the intersection of SR-210 (Ross Circle) in Dothan. Length 18.607 mi. In the County of HOUSTON, State of Alabama.

As of: 11/22/2022

Item	Question	Answer
1	<p>STPNU-HSIP-0053(596) -</p> <p>Sketch 1, page 2a table calls for 25' drives. There doesn't appear that there is enough right of way for 25'. The table also states there is a quantity of 62 to be paved. There is at least 62 that are already paved but are not 25' long. Will they be lengthened and how many existing unpaved drives will be paved?</p> <p>Project note 204 explains new 3' turnouts. Will these be placed in lieu of paving new drives back 25'?</p>	<p>Paved residential drives were changed to 10' and adjusted the quantity. A box was added for unpaved residential drives and a quantity was added. All unpaved drives will be paved 25' or to the right-of-way. Project note 204 was omitted.</p>
2	<p>STPAA-0053 (599)</p> <p>Sketch 1, page 2a table calls for 102 unpaved drives only to be paved. Will the existing paved drives not be resurfaced?</p> <p>Project Note 207 explains new 3' turnouts. If you are paving new drives will you also be building 3' turnouts? How many?</p>	<p>Existing paved drives will not be paved in this project. Although the quantity for the unpaved drives was updated and pay item of 424A370 was revised to reflect this change. Project note 207 was omitted.</p>
