

Alabama Department of Transportation - Proposal Questions and Answers

Project Number 99-503-371-000-201

Call # 038

County

JEFFERSON

Project Description

for the Maintenance Bridge Painting and Repair on the Alford Avenue Bridge over I-65 at Exit 254 (Site 1) and the 25th Street Ensley Bridge over I-20/I-59 (MP 120.500) (Site 2) in Birmingham. In the County of JEFFERSON, State of Alabama.

As of: 6/23/2022

Item	Question	Answer
1	Will ALDOT consider allowing for 60 working days to complete this project? 45 working days does not seem to be a reasonable time to complete this project.	As Per Construction Bureau, the construction time was revised from forty-five (45) working days to sixty (60) working days.
2	The Department needed to revise the existing lane closures times in note 755 of the Traffic Control Plan notes on sheet 2C to reflect the approved TMP.	Revised the note 755 on sheet 2C to reflect the approved TMP.
